Enclosure No. 2

Sir,

I have the honor to forward herewith for such action as may be deemed needful the two marginally noted petitions addressed to H.H.the Mahárája of Mysore.

2. The Gachi Math is not in receipt of any Tasdik from the Palace and the Palace has nothing to do with it.

3.The other Math,-Japadakatte, is in receipt of a monthly donation of Rs 29-1-5 a month paid through the Palace. There seems to be a division among the local Lingáyat community as to the conduct and proceedings of the priest in charge, and I believe that it is easier and more appropriate for the needful enquiry being instituted

Petition No.485 dated 23rd October 1902 from Basappadevaru of Gachi Math on No.484 dated 23rd October 1902 from Nanjappa and others coming against the mismanagement of the Japadakatte Math.
